Note – before graduation, consider a Transition Program as you prepare for your future!

BA in Management-to-MBA Transition Program

Students must complete graduate-level coursework taken as part of the BAM degree with a grade of B or better. This coursework, which counts as electives, will not transfer as graduate-level credit to National University or any other institution as it is part of an undergraduate degree program. Grades earned in graduate level courses will be calculated as part of the student's undergraduate grade point average. Students must be within completing their last six courses in their undergraduate program and have a cumulative GPA of at least a 3.00 to be eligible. Lastly, students must apply for and begin the appropriate Masters program within six months after completing their final BAM course. Students must complete their Masters program within four years with no break exceeding 12 months.

- Students in the BAM/MBA transition program may take up to three MBA classes as electives during the BAM. Students may choose from any course in the MBA Core curriculum in which all prerequisites are met.
- The number of courses required to earn an MBA degree for transition program students is **reduced from 12 to as few as 9 courses**, depending on classes selected and grades earned.
